

How Do We Fix It? Writing Project Outline

Choose an environmental issue in Canada. Propose a solution that involves the economy, the government and the citizens. How do we fix the problem?

Paragraph One - Introduction

What is the problem?

Why is it important?

What is your solution?

Paragraph Two – Government

What will the government do to help?

Why is this smart for the government?

What problems might occur?

Paragraph Three – Economy

How will the economic system of Canada help your solution?

What will businesses do?

Why will businesses go along with your idea?

Paragraph Four – Citizens

How will citizens help your solution?

Why do you think people will agree with you?

What will happen if some people disagree with you?

Paragraph Five – Conclusion

What will happen if your problem isn't solved?

Why is your solution the best idea?

Why will your solution work?
