

Create a Country – Extension Activities

Activity One

Create a poster or flyer/brochure to promote tourism and vacations in your country.

Activity Two

Pretend you are a tourist in your country. Write a letter home telling someone about all the places you went and things you saw.

Activity Three

Imagine your country in 100 years. What will have happened? What will have changed? What will have remained the same?

Activity Four

Create a time capsule for your country. Choose five items that symbolize your nation to lock away for future generations to find. Explain why you chose each item.

Activity Five

Someone from your country wins a Nobel Prize. Who is this person? What category did they win? What was their great achievement?

Activity Six

Draw a picture of the capital building(s) of your country. Be sure to name the building (and the city).

Activity Seven

Draw/Create a memorial (or write a poem/song/rap) for your country's greatest citizen. Be sure to explain who they were and what they did.
