

Name That Economic System

Which economic system do these quotes describe?
(Traditional, Market, or Command)

I had your father 20 years ago. He was a great student and always followed directions. He got an A... therefore you get an A.

You are female. Females have not done well in here in the past. Therefore, you will probably not do well.

20% of you will get an F. That is the law!

Your grade is what you want. The more you work, the better it will be.

Your last name is Smith. They always make A's... therefore, your grade will be an A.
