

European Exploration Routes

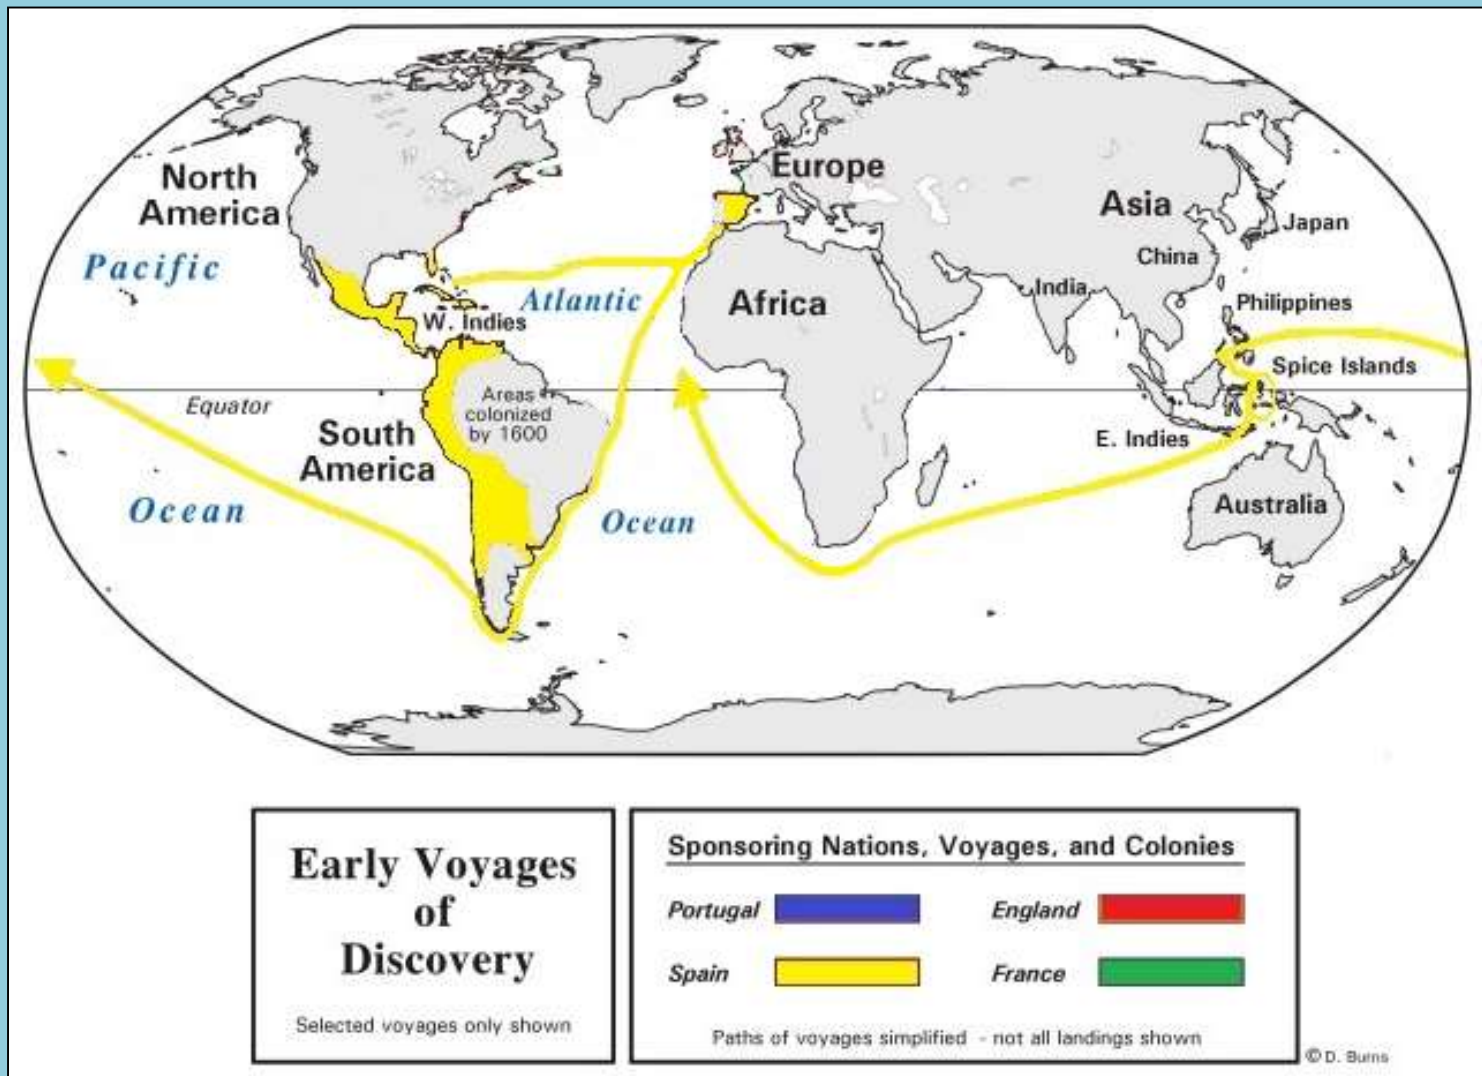

Use the European Empires Student Map to record the different routes

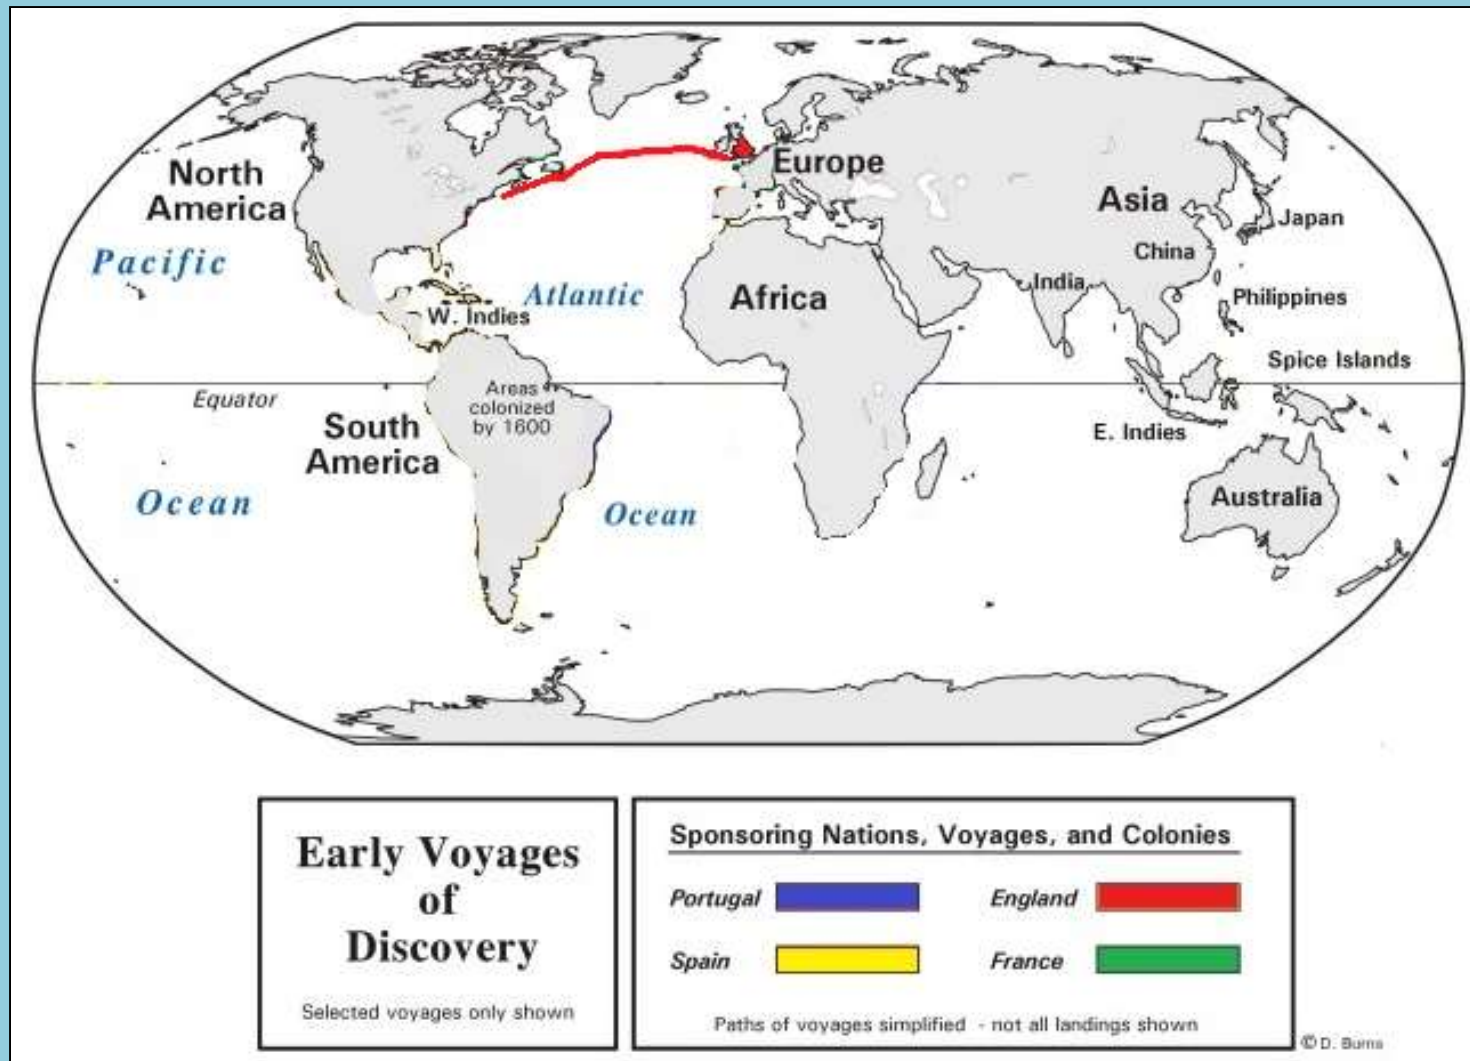

Portugal's Explorations

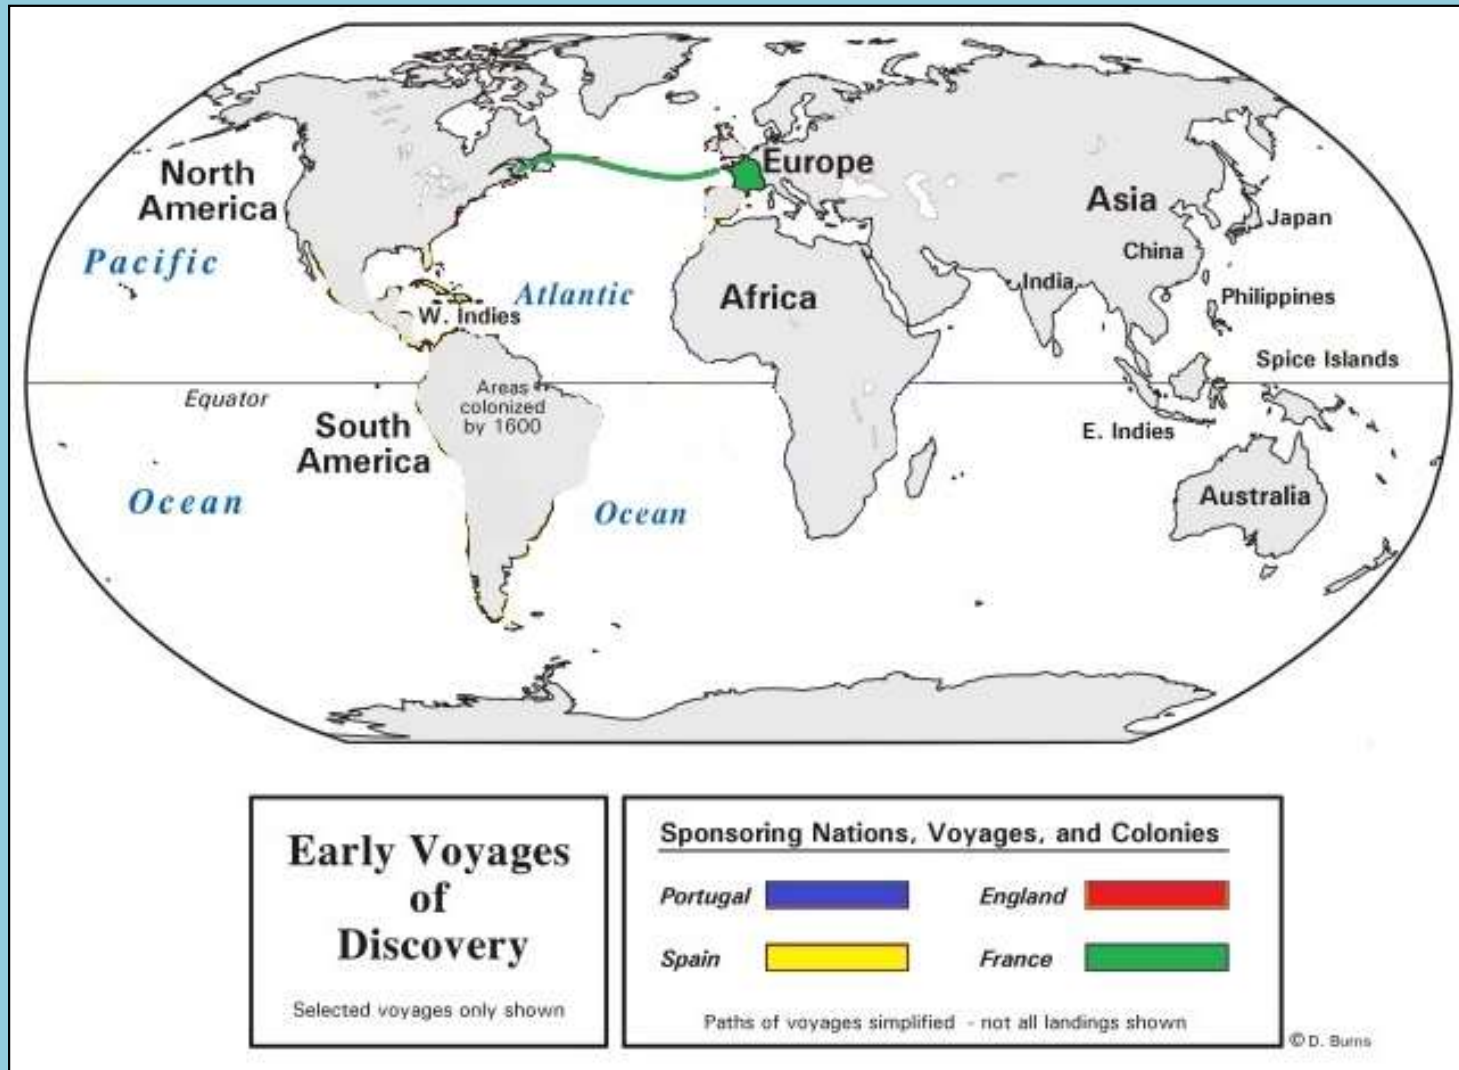

Spain's Explorations

England's Explorations

France's Explorations

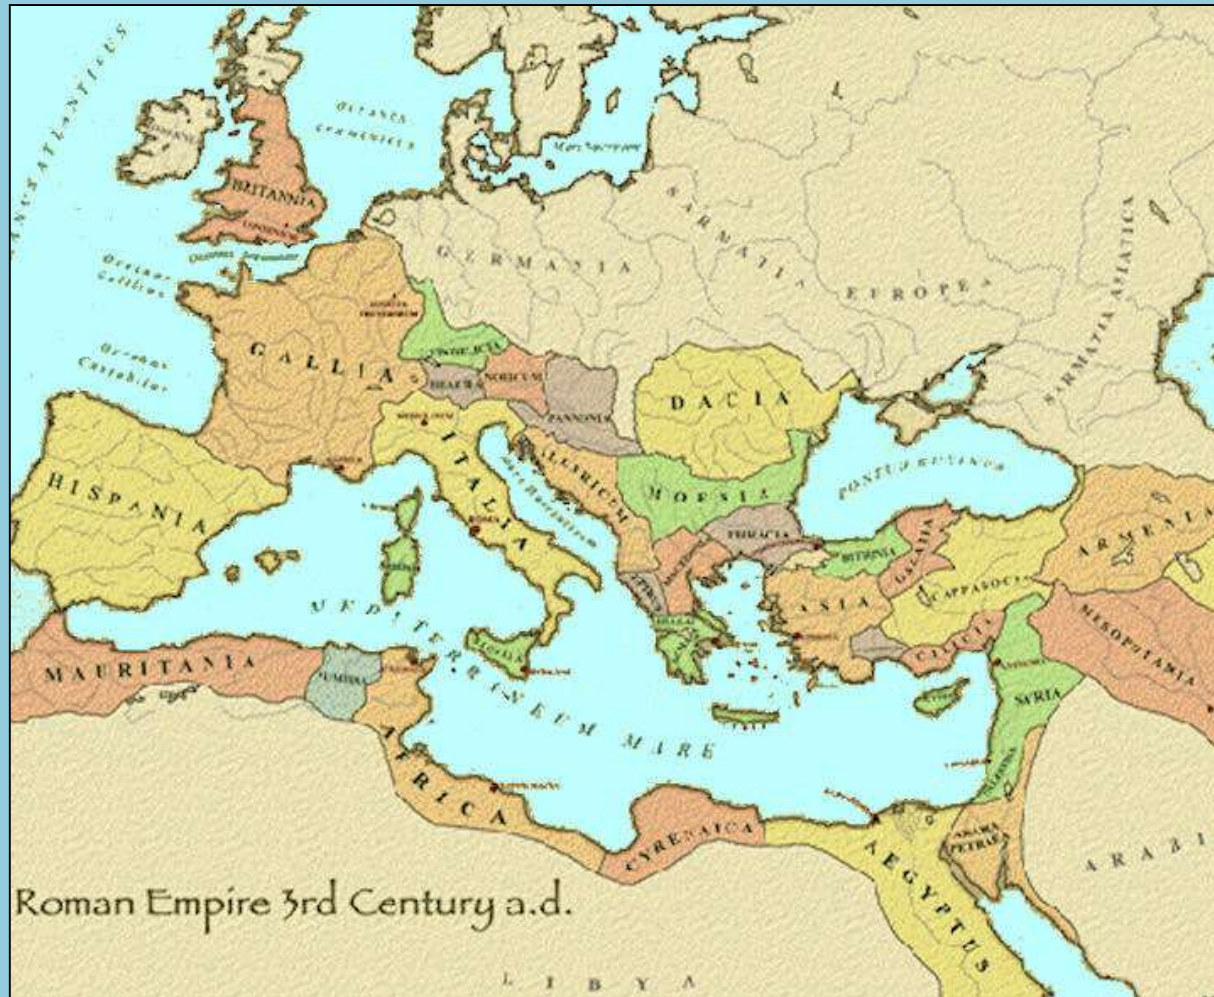

What is an empire?

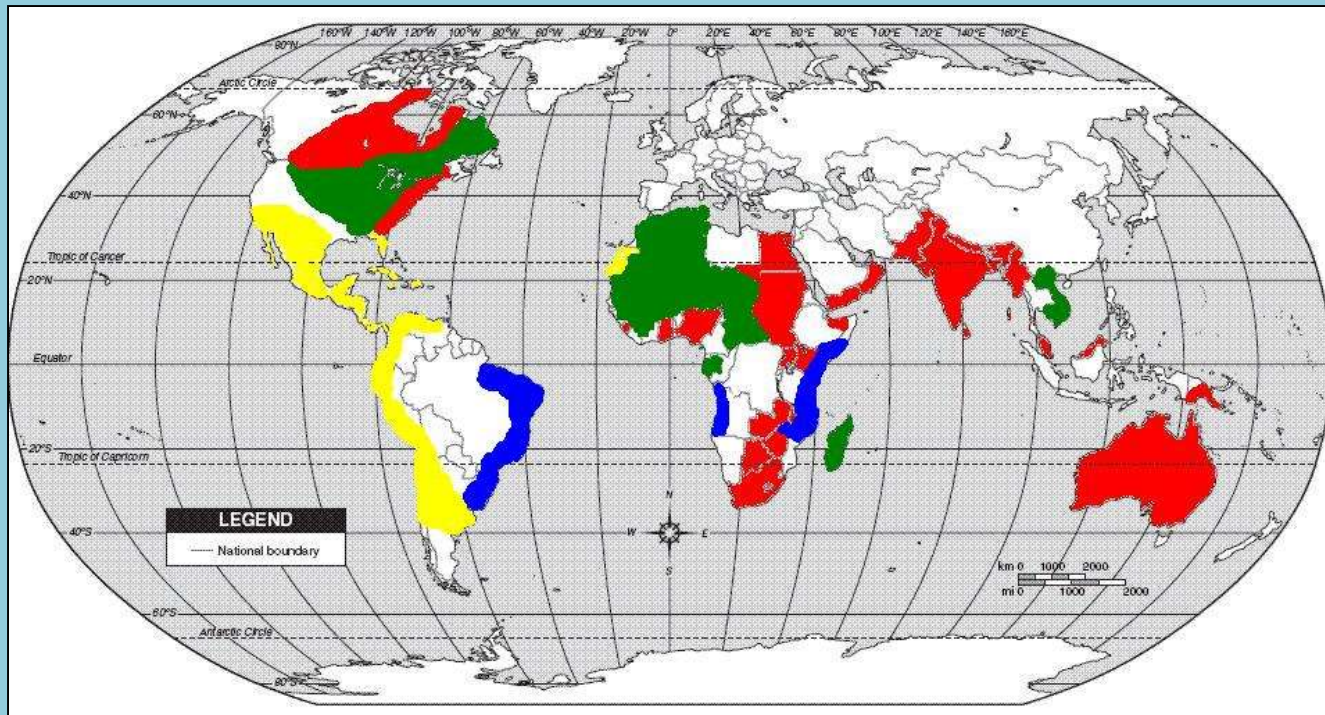

An empire is a group of countries or regions that are controlled by one ruler or one government.

Can you think of any examples?

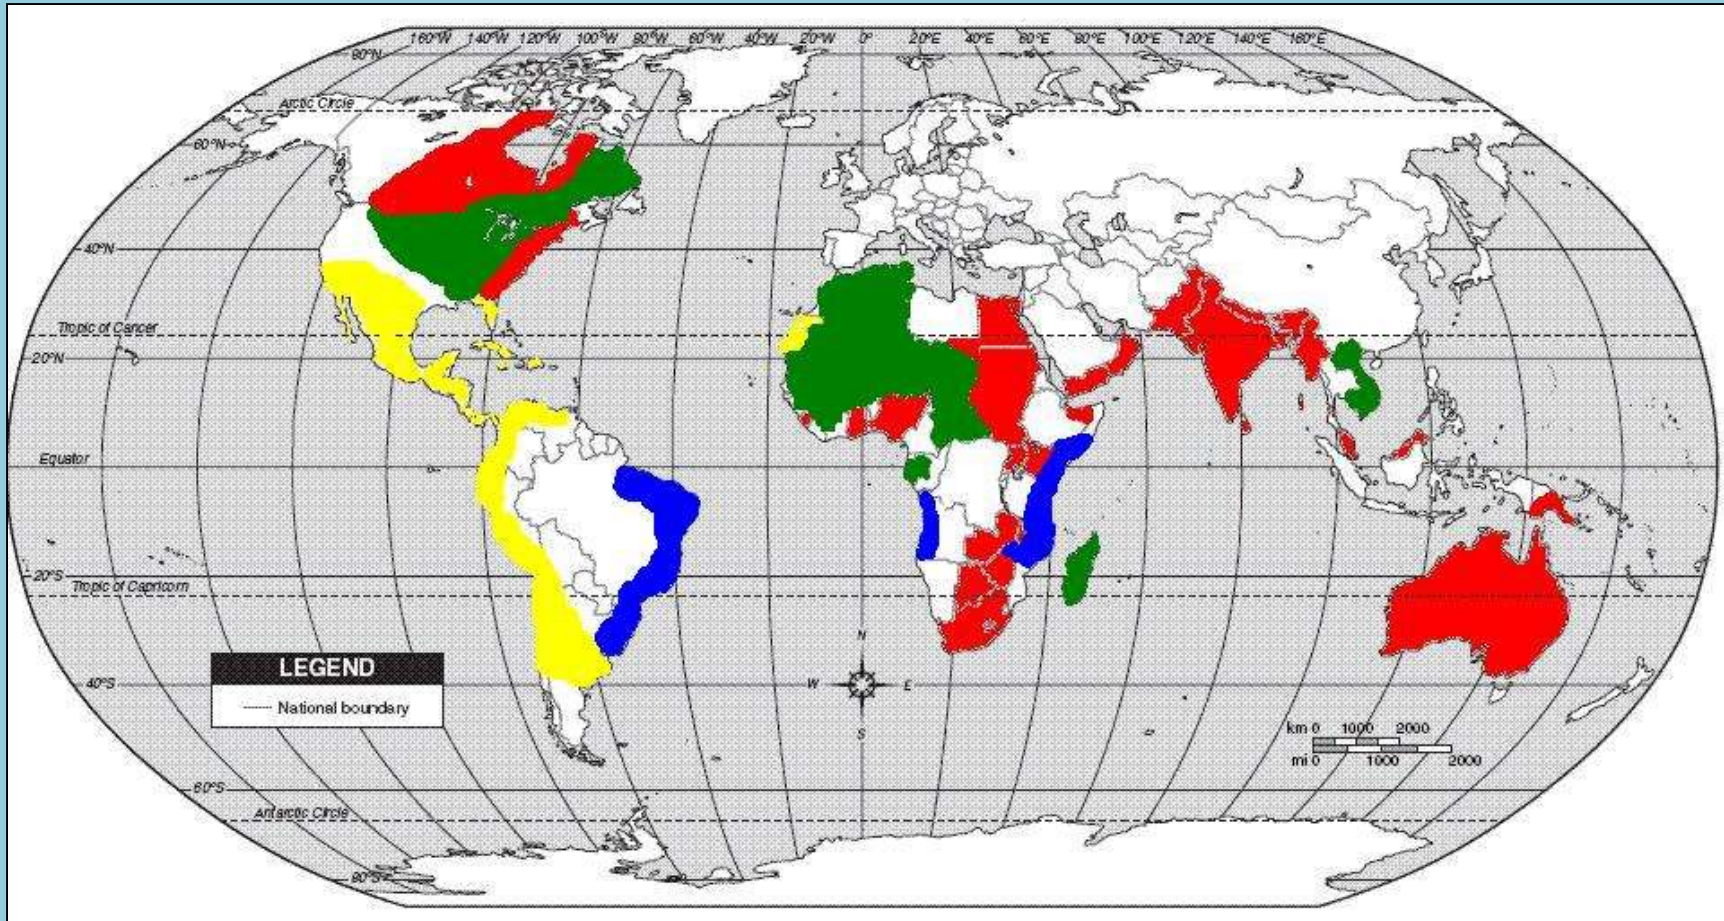

Look at the Roman Empire below as an example.

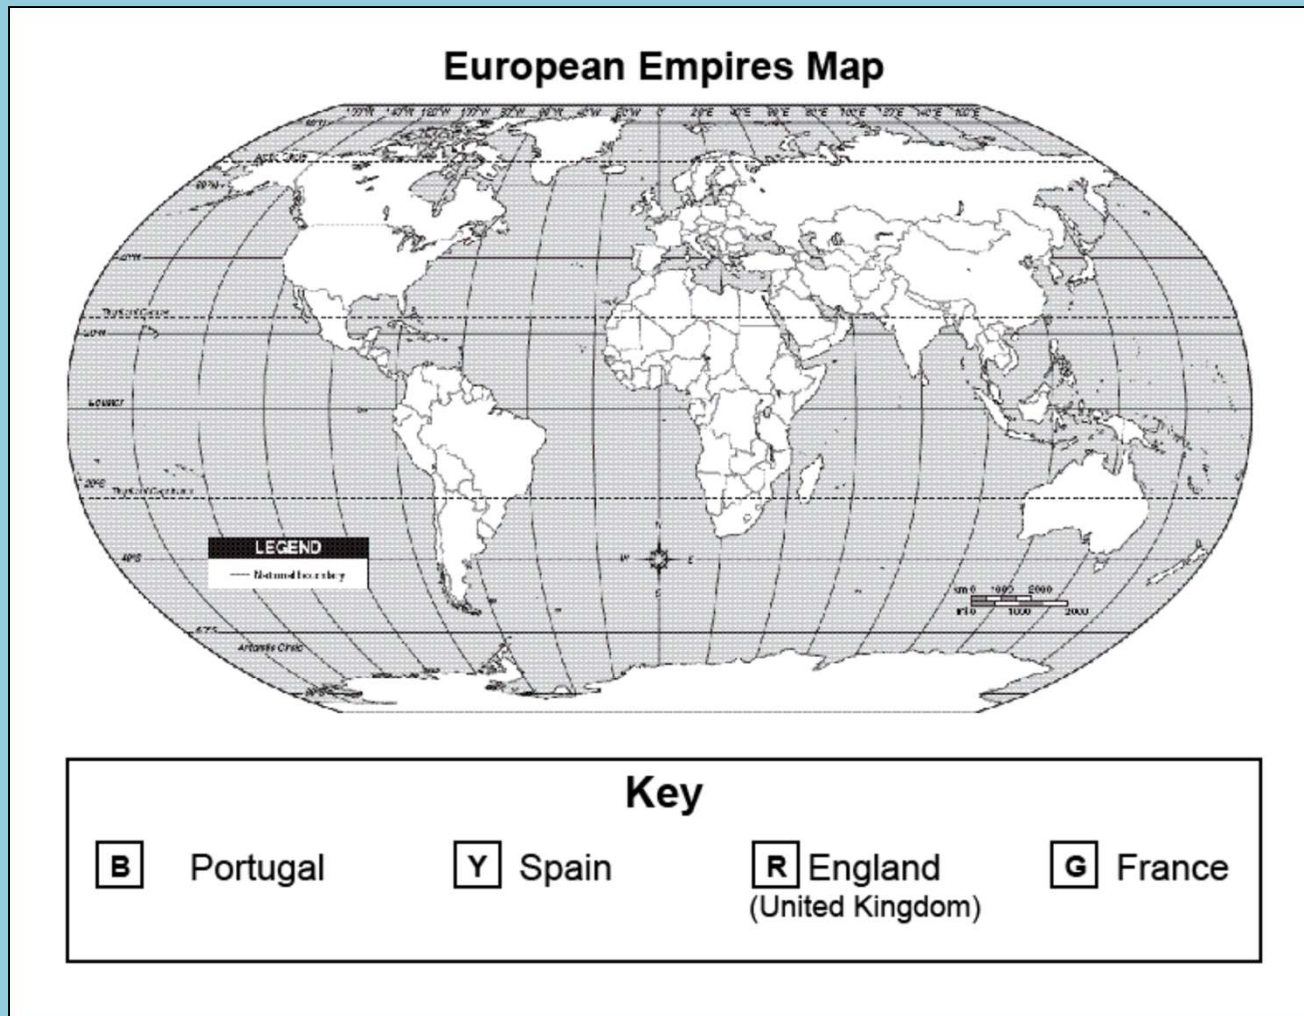

The countries of Portugal, Spain, England, and France led the exploration and colonization movement and built individual empires across the Americas, Africa, Asia, and Australia.
