

## Digging Deeper – European Explorers

Using the internet, research one explorer for each of the nations we've talked about. Tell us where they went, when they went there, and one fact about what happened when they got there.

### 1. Portugal - Who?

Where did they explore?

When did this happen?

What happened?

### 2. Spain - Who?

Where did they explore?

When did this happen?

What happened?

### 3. England - Who?

Where did they explore?

When did this happen?

What happened?

### 4. France - Who?

Where did they explore?

When did this happen?

What happened?
