

Your school is taking a five-day sightseeing trip to Latin America. Create a five-day itinerary for your trip using the direction of travel shown in the map below. For example: Day 1 – Travel across the Atlantic Ocean to French Guiana and travel down the Mana River.

The five-day itinerary for your trip should be based on the physical features and countries studied in class. Your itinerary must include at least 12 of the 16 physical features and countries studied.

Day	Description of Visits
Day 1	
Day 2	
Day 3	
Day 4	
Day 5	

Word Bank if needed

Pacific Ocean	Panama Canal	Andes Mountain	Caribbean Sea
Amazon River	Atacama Desert	Gulf of Mexico	Sierra Madre Mts
Cuba	Colombia	Bolivia	Mexico
Venezuela	Haiti	Panama	Brazil
